

		Luke Steffen	Kelly Oh	Nate Gamble	Jay Choi	Valeria Martinez	
Communication	Stays in contact with other team members.	5	5	5	5	5	Communication has been effective for the most part
	Stays on topic during meetings.	5	5	5	5	5	Valeria is good at going through our objectives and making sure we hit them all
	Deals with conflict openly and respectfully.	5	5	5	4	5	Jay still gets overly stressed out a lot but has been a lot better about working in a group and not steamrolling
Contribution	Finds and fills a useful role on your project.	5	5	5	5	5	Everyone has taken on a different page to work on for the app, or working on researching how we should structure our database system (Jay).
	Does their share of the work. (relative percentage)	22.00%	18.66%	22.00%	18.66%	18.66	Luke and Nate seem more sure in what they're doing and are good at designating roles as well as making sure that everything is getting done on time (including their own work)
	Steps in to help others when needed.	5	4	5	5	5	Nate seems to be the group leader and is very helpful. Jay and Luke have been doing well cooperating together on database design
Engagement	Shows up on time (or makes alternate arrangements).	5	5	5	5	5	Group communication and meeting has been going better -- everyone is showing up for the meetings and labs
	Meets deadlines.	5	5	5	5	5	We seem to be staying ahead of where we need to be and everyone is doing well keeping up on their individual page assignments
	Is passionate!	5	5	5	5	5	Everyone has claimed a specific role in the app development (whether it is an activity or starting to design a database schema)
