Communication	Stays in contact with other team members.	5	5	5	5	5	Everyone is good at communicating through Slack/responding in a timely manner
	Stays on topic during meetings.	5	5	5	5	5	Team meetings went well and were efficient, positive & productive.
	Deals with conflict openly and respectfully.	5	5	5	4	5	In general everyone is able to communicate their issues calmly even if we run into a stressful situation
Contribution	Finds and fills a useful role on your project.	5	5	5	3	5	We split up the database connection responisibility so everyone played a significant role. However, Jae had multiple instances where he pushed broken code directly to master, and this happened for the second time right before our presentation which was not helpful
	Does their share of the work. (relative percentage)	20.00%	20.00%	20.00%	20.00%	20%	All members contributed a lot this time and we got the database connected and managed to wrap up a couple other imporant features
	Steps in to help others when needed.	5	4	5	4	4	Luke and Nate have been especially helpful, like when I was confused about my code for the database connection
Engagement	Shows up on time (or makes alternate arrangements).	5	5	5	4	5	Everyone did well on making our meetings if they were needed
	Meets deadlines.	5	5	5	3	5	Aside from the final presentation broken code, everything has been going smoothly
	Is passionate!	5	5	5	4	5	Most of us are excited to keep working on this app in the future!
